

DOCENT VOLUNTEER

The exhibits inside the FRDC are exciting and provide a lot of information about the Fraser River, but sometimes our visitors want to know more! When we have tourism groups or large groups coming in the summer, tours of the exhibits are in demand. We are looking for volunteers to help in leading these tours of the exhibits, whether it is for adult groups, seniors, high school students, or a mix! Tours will be scripted, and training and orientation offered to docents to practice! We would like our docents to help our visitors get the most out of each and every part of the educational components of our centre. Volunteers will also need to be able to answer questions about the exhibit, and offer opportunities for discussion to visitors. Additional educational materials can be provided for our Docents!
