

**THE FRASER RIVER DISCOVERY CENTRE**  
is proud to announce  
**NEW PROGRAMS!**

**No matter what your schools' situation is this year, we've got a program for you!**

**If you can visit the centre with your class:**

We are still running our **River School Programs** for those classes able to visit us. We offer eight place-based, interactive, curriculum-connected programs for students grades K-9.

**If you allow visitors in your classroom:**

If you can't come to us, we'll come to you! Four of our River School Programs are available for you on **Outreach Wednesdays**. Two FRDC staff will bring deliver a program in your classroom, for grades K-9.

**If you want to borrow materials:**

Can't visit us and can't allow visitors? No worries! Our **Education Kits** contain all the hands-on materials and detailed lesson plans you need to for inquiry-based learning about life in the Fraser River Basin.

**Visit our website for our full COVID-19 safety plan, details on all of our programs, and our reservation form!**
