Sponsor Program Development $750

Support the creation of new programs and resources that help us share the science, culture, and stories of the Fraser River with the next generation of river stewards.

Support a New Exhibit $1000

Contribute to the design and development of a new exhibit that inspires visitors to explore, learn, and care for the living, working Fraser River.

Give today

Every day, the Fraser River Discovery Centre connects people to the stories, science, and life of the river.

Your support ensures that future generations can continue to learn from and care for this vital ecosystem.

How to give

Donate today and make a lasting impact on river education and conservation. All donations are eligible for a charitable tax receipt.

Donate online at fraserriverdiscovery.org/waystogive/celebrate or visit us in person at the Centre.

A gift in their honour

When you make a donation through the Holiday Giving Catalogue, you can choose to receive a special donor card, a meaningful way to share your gift with the recipient.

Each card includes a personalized message and explains the gift you've made in their honour, making it a thoughtful and impactful holiday present.

Thank you for helping us inspire stewards of the Fraser River.
